Our third annual mini-carnival was held on March 7<sup>th</sup>. This year we had nine booths, as well as a raffle table where the student's raffled a sweatshirt, a tee-shirt, and sold chances on a round trip ticket on Pen Air from Igiugig to Anchorage. The student's also had a table on which they sold snacks and soda pop. The money made from the raffle table and the snacks went to the student activity fund. The sweatshirt was won by Ida Nelson, and the shirt went to Randy Alvarez. The RT ticket winner will be announced at our upcoming play The Fisherman and His Wife. Out of the nine booths Dan Salmon's Dart Throw topped off everyone with 385 tickets, and Christina Salmon's Ring Toss had the lowest with 28 tickets. We all enjoyed our carnival this year and are looking forward to the one next year.

### Welcome to Igiugig

by Bernadette Andrew

As part of the village beautification efforts, plans are underway to build a raised bed by the road near the pumphouse, with flowers, shrubs, and a welcome sign. We would like any ideas that you may have as to what the sign should say. We will also be planting flowers around the village. Anyone interested in helping out? Stop by the office and let us know.

The regular monthly Igiugig LSAC meeting was held March 26<sup>th</sup> and was attended by eleven people. The following business was noted:

The play "The Fisherman & his Wife" was rescheduled. The performance date is now April 16<sup>th</sup>.

The trip to Katmai may happen next spring. The lodge owner already committed the space to the Naknek students but will give our school district the opportunity for next year.

"Don't be judgmental. You may dislike what a person is doing because it is wrong or evil, but you may not really understand the reasons for the behavior. You still must love that person."

-Mother Teresa (as told to Karen Eberhardt Shelton)

## Pine Cars

by Bernadette Andrew

During the month of April, one of the activities at the RecHall will be carving pine cars. There will be cars available for all the children and a few for some adults. All children 7 and under will need to have an adult come with them. It would be great to see parents come and help out their children and make this a family project. After the cars have been carved and painted, we will hold a Pine Car Derby, probably in the beginning of May.

Watch for the exact date and time!
