Flower's and More

by Bernadette Andrew

Have you noticed the flower's around the village? This past month flower boxes were put on the council office, clinic, pumphouse, store, and the church. We also made a small flower bed by the post office. This is all part of our village beautification plan. The area for the welcome sign, tree's and flower's will be completed this coming month.

Campbell's Labels

by Bernadette Andrew

This year our goal is to collect 2950 labels for an outdoor volleyball set. As of June 26th, we had 116 labels. So, as you can tell, we have a

long way to go. Everybody eat your Campbell's soup and Franco - American spaghetti's and drink your V8, and *SAVE THOSE LABELS*. If you need a list of what products are eligible, stop by the council office for one.

Recycling

by Bernadette Andrew

We are continuing our efforts to recycle all aluminum cans from Igiugig. Recently many aluminum cans were disposed of in the dump. Recovery efforts netted two large garbage bags full. This now has to be done again, as more have been thrown into the dump, Please separate your aluminum cans from your garbage and put them in the white shed marked CANS at the dump.

The Hike

by Christina Salmon

From May 26th to the 29th I was one of six students in our school district to travel to Twin Lakes. Sponsored by the National Park Service and the school district, we spent three days hiking and learning about the Twin Lakes area. The first evening we walked to Dick Perenickie's cabin, author of One Man's Wilderness.

Led by John Branson, a park ranger, we climbed into a valley where we saw beautiful waterfalls. The morning of the second day we got reports that the weather was going to turn bad and it would be best if we flew back to Port Alsworth for the last night. From there, John decided we would hike out to Kontrashibuna Lake and set camp there, then hike back to Port Alsworth in the morning. At the lake, we set up camp, ate dinner, and told stories around the fire. About 12:30am our chaperones decided to call it a night. We were told to be quiet and to be ready to go at 8:30. That morning we set off towards Port Alsworth, and later home.

This was my third time going on the "hike" and I've enjoyed it every year. John Branson knows a wealth of information about old Athabaskan villages and I am glad he's able to pass his knowledge of the area on to us.
